

2007 North Midwest Section Conference
Michigan Technological University – Houghton, MI

Resolutions Committee Report

WHEREAS the faculty and administration of Michigan Technological University have been most dedicated in implementing the conference theme “Educating Engineers for a Sustainable Future”; and

WHEREAS they have extended generous hospitality to the attending members of the North Midwest Section; and

WHEREAS the 2007 MTU Meeting Planning Committee, and the speakers, panel members, and presenters have combined to provide a stimulating and rewarding program for those with a dedication to engineering education; and

WHEREAS support was provided by the office of the Dean of Engineering; and

WHEREAS the current ASEE North Midwest Section officers and the Zone III chair have met with appropriate committees to offer help with matters of concern;

THEREBY contributing to making this 2007 meeting a satisfying and beneficial, learning experience for those in attendance; and

WHEREAS the planning committee was influential in presenting a great display of color and no snow,

THEREFORE be it resolved that all the attendees do express their heartfelt thanks to all who were responsible for this meeting and for the inspiration given to our society members for engineering education in the North Midwest Section.

Dated this 21st day of September 2007, at Houghton, Michigan and presented by the Resolutions Committee comprised of

Charles Johnson

Verne Cutler.
